Hi Rick, can call you in about 20 mins if you will still be there. . . ?

The trip to Newhalen - we will need a seat on their charter, need to pay our fare share - seat fare for that particular part of the trip. So, hopefully they can break down the costs. The other option would be us to call Iliamna air and see if we can get seats on the regular flights. Assuming they would be done with the meeting by time we need to leave . . .

For Naknek - I think we can take the Pennair flight into King Salmon - see about renting a vehicle first - then drive to Naknek - especially since we are going to stay for an evening public meeting. The price below is for two tickets, would need to call our local travel agents to book tickets ASAP. I am just putting below for the schedule and the time of the flights that we would want.

This might be a car rental company in King Salmon. Do you have a travel person who could call and reserve us a vehicle. Will need to know that we can drive it to Naknek and back.
